RELEASE IN PART
B6

Sure, happy to talk at your convenience. For background, I've attached the plenary memo proposal that we're sending up to President Clinton for review and approval. As with years past, we would welcome the Secretary 's involvement wherever she prefers to participate, from the Opening plenary to the Closing and everywhere in between.

Let me know if you want to include Bob or others on my side.

Thanks,

Ed

Dear Secretary Clinton,

We have attended the Clinton Global Initiative now for a few years and feel it is an important gathering of some of the finest and most important people thinking about International Aid. We do, however, feel that women's issues have not gotten the attention or the placement that they deserve. We are hoping you might consider helping us "rock the boat" a little bit this year.
